FUNNY BUSINESS

Do you know how many of your own tricks for teens are actually converted into big business? Too bad you time you introduce a new fad there's a smart manufacturer waiting to turn it into a fashion. Stand up and take a bow for these brain trusts that were wacky enough to be put to work.

Jabberwocky Fashions—You've been writing jabberwocky and authorizing stationery on coats for years now. Haven't you? Well, you've inspired the very successful "Alive with Jabberwocky" line of clothing printed in a design of jabberwocky and nonsense words. Then, you've been writing jabberwocky across your velvet headbands, haven't you? Along comes Jabberwocky Bandana—a hair band with assorted slang embroidered across the top. Aren't they the copy cats?

S.W.A.R.—You teenagers started the fad for imprinted lipsticks. The minimum 95 points for release, the department added, most have been returned to this country. They have been weeded out of the divisions while overseas to await return to the United States.

Furloughs Promised.
The eight divisions which currently are designated as occupation forces in the European and Mediterranean theaters are the 1st and 4th armored divisions; the 3rd, 8th, 12th and 16th armored divisions; the 101st airborne division; and the 42nd, 58th, 66th, 69th, 70th, 71st, 75th, 78th, 84th, 89th, 94th, 100th and 102nd infantry divisions.

The war department renewed its contract with the United States Army for the transportation of soldiers scheduled to return to their homes or to other points of embarkation for further information. The returning soldiers will be transported by the department and the transportation corps is making "every effort" to speed the homeward journey.
